

Reconciliation
South Australia

BUILDING RELATIONSHIPS. BUILDING RESPECT.

BECOME A MEMBER

We are an independent not-for-profit organisation, the lead body for Reconciliation in South Australia. We promote and facilitate reconciliation building authentic relationships, respect and trust with all South Australians.

A membership with Reconciliation SA demonstrates you are ready to stand with others who are committed to change and commit to a reconciled South Australia.

A membership will help you transform your conversations and intentions into genuine action.

A membership connects you with like-minded people to guide your reconciliation journey and build partnerships on reconciliation projects across the state. Together we can take action towards reconciliation outcomes that will create a better future for all South Australians.

As a member of Reconciliation SA you represent the values of our organisation and work towards our Vision for a reconciled and just South Australia that understands, values and actively supports the inclusion of First Nation people in all aspects of life.

At its heart, reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander people and the wider community, for the benefit of all Australians.

FIVE KEY THEMES UNDERPIN EVERYTHING WE DO.

Historical Acceptance

A state where relationships between all Australians are based on an understanding and acceptance of the wrongs of the past and their impact on today's society.

Equality and Equity

A state where Aboriginal rights are upheld, and all Aboriginal people can participate and equally experience positive social and economic opportunities.

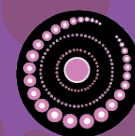

Institutional Integrity

A state where the principles of reconciliation underpin political, business and community structures.

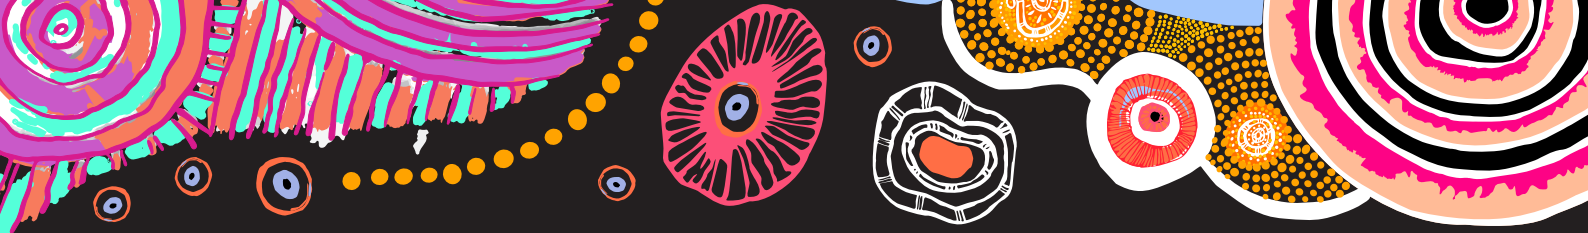

Unity

A state that actively values and celebrates Aboriginal cultures and heritage as a proud part of a shared identity.

Race Relations

A state free from racism, where relationships between all Australians are respectful of cultures, rights and experiences.

Our new member model reflects a recognition of a changing world and our desire to support change, growth, and the opportunity to support others. We welcome you to our organisation and appreciate your support. We are grateful and proud to be using the language of the Kurna Nation with their permission to reflect our new tiered membership.
